

The Secret of Healthy Aging

A physician-supervised program
written about in *GQ Magazine*.

- This 6 page article stated that Ceneogenics Medical Care can slow, even reverse the aging process.
- This treatment has shown to increase energy levels, improve concentration, focus, and memory, build muscle mass and bone strength, decrease body fat, and improve an overall outlook on life.
- According to the National Men's Magazine, "This therapy could change the quality of life for millions of people (men and women), and in doing so can alter the very shape of our society...This therapy could change the very nature of our final years."

The **Executive Wellness Program** is a *personalized and attentive* world class full day health evaluation.

- Advanced, nonstandard laboratory testing
- Emphasis on maximizing cardiovascular status and diagnosing metabolic disorders
- Extended Physical Exam
- Computerized Body Age Assessment
- Comprehensive Stress Reduction Program
- Personalized Digital Health Record with your Optimal Health Plan

Optimal Performance through Optimal Health
